

At Last

Mary Wells

At last
My love has come along
My lonely days are over
And life is like a song
At last
The skies above are blue
My heart was wrapped in clover
The night I looked at you
I found a dream that I could speak to
A dream that I could call my own
I found a thrill to press my cheek to
A thrill that I've never known
And then you smiled
(You smiled ooh)
And then the spell was cast
And here we are in heaven
For you are mine at last

At last, at last
My love has come along
You smiled, you smiled
And then the spell was cast

I found a dream that I could speak to
A dream that I could call my own
I found a thrill to press my cheek to
A thrill I've never, never known
And then you smiled
(You smiled ooh)
And then the spell was cast
And here we are in heaven
For you are mine at last

(At last, at last)
At last
(At last, at last)
My love has come along
(At last, at last)
My lonely days are over
(At last, at last)
And life is like a song
(At last, at last)
At last
(At last, at last)
My love has come along
(At last, at last)
