

## Guarantee (For a Lifetime)

Mary Wells

Who'll take this love?  
It's guaranteed for a lifetime  
Who'll take this love?  
It's guaranteed for a lifetime

Guaranteed for a lifetime  
A love that is true  
Guaranteed to never rust  
It will always be new  
If you've been looking and you haven't found  
The kind of love you've been spreading around  
Then listen (Listen), hear what I say  
It's bargain day, and I'm giving away true love

Who'll take this love?  
It's guaranteed for a lifetime

Just a kiss and a hug  
Will buy this love  
If you're the kind who's afraid to take a chance  
I guarantee you'll never be sorry  
If you've been hurt by someone untrue  
This love would take away all of your blue  
If that lover you've got is just a bore  
Take my love, it's what you're looking for  
So listen (Listen), hear what I say  
It's bargain day, and I'm giving away true love

Who'll take this love? (I'll never hurt you)  
It's guaranteed for a lifetime (No no no no)  
Who'll take this love? (Never make you cry)  
Guaranteed for a lifetime (Stay right by your side)  
Who'll take this love? (Who'll take my love?)  
Guaranteed for a lifetime (It's guaranteed)
