(I Guess There's) No Love

Mary Wells

I guess there's no love
I guess there's no love
I tried and I tried

Ooh
Sometimes I cry, I guess there's no love, no love for me
I loved you so long, but you done me wrong
I stayed right by your side, ooh yeah
'Till you cheated and lied
I guess there's no love, no love for me

Friends say stay away from love
It will hurt you if it calls
Ooh, oh
But I would rather be hurt in love
Than to never, than to never, than to never
Be hurt at all

Nobody to phone, no matter what you do
Ooh, I'll always love you
I guess there's no love, no love for me
I guess there's no love, no love for me
