

My Heart Is Like a Clock

Mary Wells

11

You broke my heart, & in that moment it stopped
Just like a clock that has been dropped
I thought that everything was fine
& that our love was gonna last
& yet we're running out of time
Just like the sand in a glass
Now every moment seems like an hour
Every hour like a day ever since you went away

My heart is running down
Just like a clock, it needs to be wound
Before it stops
& only your kiss can wind it up & make it get started
Your kiss can wind it up & make it get started
So come on & wind it up before I wind up broken-hearted

(repeat previous verse)

& make it get started, oh oh
Don't wanna be broken-hearted, oh oh
(Only your kiss can wind it up)
...& fade
