

Oh Lover

Mary Wells

Verse 1: Mary Wells | Marvin Gaye

Lover, where have you been?
Said I've been around the world and back again
Ah, you've done me wrong
So that's why I've stayed away so long
Lover, lover, I went away, yeah, yeah
But, I knew you'd be back one day, oh yeah
Even though I hurt your heart
Ain't nothin' gonna make us part
No matter where you travel
And no matter what you've done
I know in your heart, oh, I'm still the only one

Verse 2: Mary Wells | Marvin Gaye

So, lover, yeah, yeah, come on here to me
Oh no, no, no, no, whoa
That ain't the way it's gonna be, not now
I want you to know
That I don't want your lovin' no more
In my many travels, you see, babe, I've become so wise
I found someone to love me
She really opened up my eyes, ooh

Verse 3: Marvin Gaye | Mary Wells

Lover, lover lover, this is the end, yes, it is
That's just what you think
You know you'll be back again
'Cause to love someone new
Just can't move you like I do

Outro: Mary Wells | Marvin Gaye

So, lover, oh, come on, lover
I ain't coming back, baby
I may not be good-looking
My mind is on a one-way track
I have some good cooking, yeah
Said I ain't coming back
Like two and two is four, ain't gonna love you no, ooh, more
Oh, no one can thrill you
Hun, I ain't coming back
No one can give you chills
Ain't coming back, baby
Come on back, Marvin
No, no, no, no, no, woo
I said come on back
Said I ain't coming back, baby
Oh, like one and two is three
Oh, you know, you know you're gonna need me

Come on, come on, come on, come on, come on back
I ain't coming back, baby
You know you're gonna need me, baby
No, no, no, no, no
