

24 Hr. Relationship

Masego

The 24 hour relationship

Oh damn, I done messed around and spend the night
I ain't even know my body can do all that
Mmm, I wonder if he thinks I'm easy
I wonder if he gonna think about it for the next week like I know I am
'Cause we had a real good night
I mean, a real passionate night
I mean, I am a Taurus
I just know he gonna fall in love on that damn eye contact I was holding
Maybe I should, huh, scooped back
Put it up against him, let him touch on my booty, mm
He probably don't even take me serious

She probably thinks I think she a little, a little fast girl
Nah, I know she don't do this often
Wow, look at them curves
I just want to just touch her booty real quick...
Okay, wait wait wait, come on, now, classy, classy...
Pink is up, pink is up (pink is up!)
I know she knows she look good
She probably don't even get wonderbra
Man, and that hair
Man, she could be bold, and I don't care
Like I just know
She smells good, skin soft
Curvy, intelligent, combo, hair
Like honestly I kinda want to, I kinda want to
I want to stay awhile
Like, man, shut up man, weak
Pink is up, pink is up (pink is up!)
I'm just thinking like, what if she's lady lady
What if this woman is lady lady
What's gonna happen next
