

# I Do Everything!

Masego

Do you play the keys? I can play that  
Do you play the sax? I can play that too  
Do you play the marimba? I can play that  
Do you play the cymbals? I can play that too  
Do you play the tuba? I can play that  
Do you play the trombone? I can play that too  
Do you play the trumpet? Nah Brasstracks  
But if we talkin' harpsichord I play that too cause

Everything's every damn thing I do everything yeah  
Everything's every damn thing I do everything yeah  
I do this I do that they gon dance and they gon clap  
I do this I do that they gon dance and they gon clap  
Just because everything's every damn thing I do everything yeah

(Hol' up)  
23 with a money tree

6th grade met a girl got curved kinda hurt but I learned she loved that sax  
Begged mom and I learned got good, real good, first chair and I got her back  
Self taught radio every day till the day that girl stopped lovin me  
So I say why you stop she said Jamie Foxx funny man and I played those keys  
So I played those keys  
Snuck into church and I slayed those keys  
Kicked outta class cause they hatin' on me  
Never let a man put a grade on me  
I just want her heart  
I don't care about that grade or thing I just need that girl near me  
So I learned and I learned I swear I'm the best ever  
I swear I'mma let it I'mma get whatever I want girl I say that

Everything's everything damn thing I do everything yeah  
23 with a money tree  
Where'd the bass go? Hit me

Everything's every damn thing I do everything yeah  
Everything's every damn thing I do everything yeah  
Everything's every damn thing I do everything yeah  
Everything's every damn thing I do everything yeah  
I do this I do that they gon dance and they gon clap  
I do this I do that they gon dance and they gon clap  
Just because everything's every damn thing I do everything yeah

Yeah that's right. I did the beat. I did the singing. I did the sax. I did the drums, the high-hats. I did the triangle. I done told y'all I do it all. Everything. I'm the best ever. Who cares what your favorite is? I is now. I did it  
Ooh. Stop the song if you want. If you a real fan you gon let me run it back. Cause it's my birthday. Cause I'm 23. Cause I do what I want. I don't want this on radio

Do you play the drums? I can play that  
Do you play the violin? I can play that too  
What about harmonica? I can play that  
What's good with the maracas? I can play that too  
How bout the xylophone? I can play that  
How bout electric guitar? I can play that too

How bout the sousa sousaphone? I can play that  
Didgeridoo and triangle? I can play that too

Everything's every damn thing I do everything yeah  
Everything's every damn thing I do everything yeah  
I do this I do that they gon dance and they gon clap  
I do this I do that they gon dance and they gon clap  
Just because everything's every damn thing I do everything yeah
