I'm in Hollywood and I'm really bored
I'm in a studio that I couldn't afford
A year ago, now I'm a pro
Now every single person coming to my show
They be jumpin', jumpin', they be like, "Oh my God"
They be jumpin', jumpin', they say, "You my heartthrob"
I'm like, "Baby, baby, yes I know, yes I know, yes I know"
I'm like, "And you know this is my piano"
I'm like oh, oh, oh

Yo, 'member that?
