

Lady Lady

Masego

If I want you, be my lady
I'm gon' call you lady lady, lady lady
If I think you'd be my baby
I'm gon' shoot my shot and call you lady lady, lady lady

If you classy but you're reckless
Then you gon' get choose a necklace lady lady

She got me wondering if I
Should make her my baby, lady lady
Maybe I should say the things I type online
In real life

Happy to call you my lady, you're special
Happy that you're my baby
Happy to call you my lady, you're special
Happy that you're my baby

If you classy but you're reckless
Then you gon' get choose a necklace lady lady
If you classy but you're reckless
Then you gon' get choose a necklace lady lady
