

Polygamy

Masego

Polygamy, a dream team
Hands in everybody
1, 2, 3
Nah-nah-nah-nah-nah-nah
Baby wait, wait, wait, wait, let me explain
Let me explain myself
I'm sure we could make this thing work
Talk about it

Polygamy, dream team
1, 2, 3

Gemini games
So many faces
3 man weave
I used to try to get the gold
I'm told one woman is the only way
Hmm, wait
Try to date one, mess it up
I'm too young, turnt up
Too much temptation for me
But what if I think about it in a different light
We could build it on trust, build a life

Polygamy, dream team
1, 2, 3
