She gon' get hers, I'm gon' her mine  
We bring to life, she fantasize

Now I got her yelling, got her yelling  
Got her yelling, like

See ya there, I can't resist  
See ya stare, feel ya kiss  
Subliminal criminal tease  
Minimal minimal minimal (yeah)  
Siminal siminal D  
Animal animal animal  
Ingimate intervals, each and every time  
I go in and through her garden
