Gemini Gemini  
Who you try'n see tonight, see tonight

Brought me to your mama's restaurant  
I like free food, so I just played the boyfriend part  
I'm not see through fooled her on in and out of charm  
I'm the key to getting mama off yo arm I'm the real life villain

I'm slick with mine, but I'm a good guy  
Every other night wait, say otherwise  
I ain't never lie, leave you open when I lay you down

Flavor of love feels like  
Bit of a Clemente  
Gimme the fruit  
My diet is alkaline  
Think of the light as lime  
Only need 15 minutes of 4 play time  
And I ain't factor in my 2 sides

I got a foolish life  
Who am I now  
I be whatever you like  
Wanna go insane yeah I might be  
Damn are we the same cause you like me
