

Runaway

Mashonda

It's complicated
I don't feel you anymore
Some things I simply can't ignore
Stick around, what for?
I'm floated, I'm growing
Cuz you did love, love
Now I'm your runaway love

Runaway love, runaway love, runaway love, runaway love
Runaway love, runaway love, runaway love, runaway love

When the night falls
And you calling out my name
It won't be like yesterday
Why you lying?, lying
Don't deny it!
(Why you smiling?)
Why you smiling?
Oh, you try it
(Oh, you try it) (oh, you try it) (oh, you try it) (oh, you try
it)
(Runaway love) (runaway love) (runaway love) (runaway love) (ru
naway love)

Runaway love, runaway love, runaway love, runaway love
Runaway love, runaway love, runaway love, runaway love
