Mashy Muxx

my neighbours are coprophagic
my enemies are coprophagic
all communists are coprophagic
Stock Aitken Waterman are coprophagic
sectarians are coprophagic
ticket collectors are coprophagic
brown point is coprophagic
Prague patriots are coprophagic
and I am not

and every day of my life I been lied to
every single day of my life I had tried
to tell you, but you don't listen
what possibly could you know about the things you might be missin'

and every night of my life I been sleepin'
and every morning, then my body's kind of creepin'
my indifference was quickly growin' bigger
until I was told the truth by the 2-stylin' nigger

the world's been goin' down but no one knows why
we all is blind, 'cos we go live and die
and all we see is the trigger
listen what I say, I'm your 2-stylin' nigger

don't you try to keep me down, this is the place where I leave the ground
so drop the leash, yo, drop the leash, and everybody fuck police

don't you try to bring me down, this is the place where I do underground

don't you try to stop me, and don't you try to rock me

say! rollin' round you
everybody's rollin' round you

do-do-do-do-do-do-do-do-don't you try to keep me down
cos' this is the place where I leave the ground
and if you drop to your knees and if you drop the leash
then everybody's going to fuck police

I'll be there with my my 2-stylin' nigger
I'll be there, goin' with my 2-stylin' nigger
rollin' screaming "fuck you!!", goin' down screaming "suck you!!"

I'll be there with the nigger
