

Enemy Scared

Masicka

Tell you we going make it, tell you we going make it
Success a make me enemy scared
Circle small, link large
Tell you we going make it, tell you we going make it
Enemies scared, scared

Been through the ruffest times, why dem waan me life fi worse
Me learn fi load the gun, before me learn a Bible verse
Dem think me dead, me skill, me skip the grave and sight the hearse
Go forward, me nah try reverse and all if time reverse
Me would a live the same life, growing up without a..
Fuck it, yo, me mek it out yah, mummy say, yes me soldier
As tears full her eyes, becah me mek she prouder
Me a mek you stinking rich till dem cyaan tek the odour
Dem waan fi see me drop me guard so every step me sober
Squaddie me no tek pull over, cah me no lef' the Ruger
Dem a go witness man rise, just ask Jehovah
Ask Jehovah, yeah

Tell you we going make it, tell you we going make it
Success a make me enemy scared
Circle small, link large
Tell you we going make it, tell you we going make it
Nuff sweat and whole heap a pain
Fight the fight, now we in charge

Tell you we going make it, tell you we going make it
Success a make me enemy scared
Circle small, link large
Nuff sweat and whole heap a pain
Tell you we going make it, tell you we going make it
Fight the fight, now we in charge

Dem waan fi see we water dung, dem strength me never ask fi none
Crazy dollars, crazy hammers, so the corner run
The weed a light, me feel the vibe, yo, get a flask a rum
Fuck dem gyal, she lef' her heart with me, she lef' her draws a grung
Boss life, still a get use to this fast life
Back inna the days she used to pass like, "you alright"
Strap dung, waan the cash come, yo, me nah lie
So me never give up, hold the faith and gwaan try

Tell you we going make it, tell you we going make it
Success a make me enemy scared
Circle small, link large
Tell you we going make it, tell you we going make it
Nuff sweat and whole heap a pain
Fight the fight, now we in charge

Tell you we going make it, tell you we going make it
Success a make me enemy scared
Circle small, link large
Tell you we going make it, tell you we going make it
Nuff sweat and whole heap a pain
Tell you we going make it, tell you we going make it
Fight the fight, now we in charge
