Here me nuh E-noxx
Whole fi nah she clothes so plenty
We nuh trust dem
To the link
No entry

Me and me friend dem a par from back inna the days
R.I.P. to one dem weh drop inna the grave
Dem never deh deh when me trashy and a save
When knock it, and a crack it
From you spot it, that a blaze
Now we roll out and we happy and a rave
One bagga chat inna me ears
No waan no man servant, the catty a me slave
Nuh stop you nuh fi gaze, the cash it haffi raise
From back inna days, as we wake
You will frassin' on some grades
Fetch me the Pepsi, Appleton a chase
Real bredda dem, and nobody cyaan replace
No try be me friend, cah dem a waste

Dem say we paranoid, dem run outta luck
We nuh trust people, the friend list buck
Talk all you want, no entry, cut
No friendship, cut, the friend list buck
Dem say we paranoid, dem run outta luck
We nuh trust people, the friend list buck
A nuh hear, we nuh hear
A care, we nuh care, I swear
Tell dem, the friend list buck

Open your eyes, you fi quicker
Nuh surprise dem a switcher
Dem will hide and poison your liquor
Remember when your life did so bitter
Dem nuh follow like Twitter
Not even dem shadow inna the picture
Right now the star a glitter, dem weh call you quitter
Waan par, waan friend cah you're richer
Dem send a friend request, still pending, nah deliver
Nah throw weh the sticker all when me cross the river

Dem say we paranoid, dem run outta luck
We nuh trust people, the friend list buck
Talk all you want, no entry, cut
No friendship, cut, the friend list buck
Dem say we paranoid, dem run outta luck
