

Keep On Going

Masicka

Money haffi mek
And me mummy haffi set
Man a thug it when we step
When we see duppy, we no fret

Father God, you know say man a sinner
You gimme the strength fi show me foes say, me a winner
Touch the road fi get the dinner
The house dem and the Bimmer
Broke pocket thing, real thugs dem no inna

Money haffi mek the bankbook overflowing
All when we tired, we keep on going
Mmm, life rough inna the street weh we grow in
Just nah give up, we keep on going
Cah we must reap from the seed weh we sowing
When you see a youth a try, dutty nehgah, lowe him
Man 'pon the stall, the farmer weh do the plowing
The crop not growing? Keep on going

Cah
We work hard and never stop
Inna the sun, sweat a drop, all when dem set a trap
No feel like say we breath a stop
Your own a brother try fi kill you, but we never shock
Friend turn enemies, when the cheddar stock
Dem eye red, a that mek dem waan you get a shot
Spot the rake like cash pot, dem friendship get left a back
Fi snapback, droptop, tall chain and leather watch
Dem see you a dead and watch

But me chant a psalm, psalm, psalm, psalm
Pagans cyaan do no harm
A work man gone, gone, gone, gone
Cah me waan money inna me palm

Stop idle and laugh and talk 'pon corner
Waan transform inna a boss, like Obama, park the llama
Fast, avoid the drama
Youth! Stay inna your class, when you're dunce it's harder
My funds no buy guns fi gun down me brother
Me rather kill me lungs with marijuana
Me love see the peace, Clans, one order
Deh 'pon a mission, ambition, man no short a
