'Memba seh if you  
If you even watch weh people say  
Hmm-mm, that evil reach no where  
Inna life, still get, you hear that

You know the thing go  
Count, we a count some money  
You know the thing go  
Ah ha

Just live yah youths, mek some million, youths  
Fuck up the road and kill badmind  
Tek care a mama, buy two house  
That a the pree from long time  
And dem cyaan  
None a dem cyaan stop man from live life  
And dem cyaan  
Blessings man get from the Father weh give life

Which is right, wake up spliff light  
Me clothes clean, meet me kicks white  
Hey gyal, come balance 'pon the big bike  
We a live like, this a the last night  
Couple car roll out, you see the fast bike  
Road me gone, graveyard me nah try it  
Me frass like, gyal a buying that's right  
Ah ha, yeah

Just live yah youths, mek some million, youths

Friendship sink, so me big up me family  
Bwoy a act silly, true gyal a wine fi me  
Hustle man a hustle weh the dollar sign gi' me  
Andrew watch da gyal deh, she me waan see me  
Baby, what you drinking, money me walk with hi  
Car full a gas, so we cruise through the city  
Be yourself, youth, don't be an immi  
Every gyal a mine

Just live yah youths, mek some million, youths
