

Living A Lie

Masicka

Eh, you know you no easy though
I can talk? Watch yah

Baby, you cyaan say you sorry
You know weh you a do
Me nah tell you say me sorry, gyal
Know weh me a do

Right now
I never feel so happy yet from I born
Lock down and we a fuck, oh God, weh time gone?
You ride on, fat fuck, inside warm
Memories 'pon memories, keep me mind calm
Cyaan believe you waan fi give up, fight on
So what, a three years you a try gwaan
Like me no care fi you
Like me no care fi you
Your pussy a the truth

But we living a lie
Say me mek you happy every minute you cry
Tell you say a you alone, me telling a lie
We say we done, we say we done
Come again mek we try

We living a lie
Your pussy too good, no waan hear goodbye
How me a text your phone and you nah reply
We say we done, we say we done
Come again mek we try
We living a lie

Don't try tek me fi clown
Say you, gi' 'way the pussy cah me nah settle down
Ooh baby, you let me down
Tell you, you a me queen but me, tek back the crown
You say you nah stray, me say a you me waan
We fuck up same way
You say you nah stay, me tell you say me gone
We fucking same way

But we living a lie
Say me mek you happy every minute you cry
Tell you say a you alone, me telling a lie
We say we done, we say we done
Come again mek we try

We living a lie
Your pussy too good, no waan hear goodbye
How me a text your phone and you nah reply
We say we done, we say we done
Come again mek we try
We living a lie

Eh, you know you no easy
