Lonely road
Chrome dem load
That's the only road we know
Lonely road
Mama can't afford
That's the only road we know

I'm so far away, so far away
Some pussy cannot reach me
Protect me from me friends, oh Lord
Weh waan fi kill me neatly
Me walk the walk the streets fi
Me talk it no easy
No bite the hands weh feed we
Can't drop out cah people need me
Really waaan fi grant me family
Every wish just like a genie
Want it all, no say me greedy
From me small, you see the scenery
Yeah, me have some scars weh cannot heal
Tell dem fi free me
'Cause dem no know the pain we feel
Yo, believe me
'Cause a

Live long if you talk less
Mek the food and buss it inna half, yes
Dem still would a buss your head inna half
Show dem love, yo, regardless
Trigger 'pon none a my friend dem me cyaan press
Survive the worse man born less
Bun a spliff and read a Pslam, yes
Man know dem harmless
