Masicka

Me never sell out enuh  
Tell the youth dem remain wise  
Rich or poor, when you're dead  
Your grave a the same size

Me seh friend, me seh loyalty  
Me seh friend

Me never sell out, cut the nonsense  
Straight from me heart, big up Konshens  
Cut cah me smart, common sense  
Friends start link 'pon the wrong ends  
Jamaica me never ungrateful  
That's why me cut before the plate full  
Siding and humble meself  
Wait my time fi the gate pull

You see mankind wicked and cunning  
When me a war 'donia you say, "Done him", 'membra?  
You say, "run out 'pon dem young general, young and gunning"  
Everything boil down, everything simma  
Me risk my career and life, you a pree house and Bimmer

Man grow rough, me never grow girly  
Life weh me live, me might dead early  
Mummy don't worry, man stand up sturdy  
Sweeter the victory, harder the journey  
Mek up my mind from the start a the journey  
Never quit, never walk off a the journey  
This is not a diss song  
And probably not a hit song  
Anyway

Me seh friend, me seh loyalty  
You say fame, you say royalty  
Me seh friend, me seh loyalty  
You say fame, you say royalty

Me never sign fi go buy Champagne  
Never yet ask you fi fly 'pon plane  
Wha' my aim?  
Fi build me career bredda, a never hype and fame  
How me grow, pride come first  
Me cyaan pretend the thing  
A me seh, anyone diss Subkonshus  
Man just ready fi go defend the thing  
But, dem no really with me, dem never mean it  
Look who dem waan fi link with, cyaan believe it  
Some bwoy weh used to diss, say, "It's not a secret"  
A never true your face buss a how you treat it

Me seh friend, me seh loyalty  
You say fame, you say royalty  
Me seh friend, me seh loyalty  
You say fame, you say royalty

A so me grow, a so me born

Take my wrong, from me no say me wrong  
People 'pon the outside, shut up and listen  
You don' know weh a gwaan  
Man a loyal youth, me never sell out nobody  
Corey mek me meet Konshens, mek me tell everybody
