

Make Moves

Masicka

Yo, Troyton
This a weh hard work gi' you
Watch yah!

Mek me tell you how me feeling
Feel like tell you how me feeling
Money stock to the ceiling
Wonder if me dreaming
Spend five G's this morning
Mek it back by this evening
Gangster do real thing
Like mommy haffi alright
Everything lock, that a key thing
When me seh bleaching, a no Nadinola
Me tell me son, "Your daddy gon'-", wha'?
Gon' rich like Lee Ching
Me no frighten fi clean skin
Me no frighten fi G-string
A fuck gyal long time
From me a sneak out and a sneak in
A pastor do preaching
My talk a no cheap talk
So me nah go deh meeting
A ground me use to sleep, king
Wha' that? Roof leaking
Money me waan, me no need Kim
Pockets swell like a bee sting

We deh 'pon another level now, aah
Know star when me see star
Me look inna the mirror, me ready now, aah
Take we light last year
Fucker dem try turn the plate empty now
We a mek news, we a mek move
Pussy dem still a mek noise
We a mek move fi go mek food
Pussy dem still a mek noise

Life goes on, so the fight goes on
And me far from the worst, dem try fi bury me
Food a eat and some clothes on
And me rise from the dirt
Money haffi mek hi no, so I got to work
No tek and don't, we tek off dem gyal skirt
We feeling happy, mek feelings hurt
So me smoke and just fly, me not feeling hurt
Mankind too wicked, watch the pussy dem a lurk
Be careful, dem we kill you fi a shirt
Ask the sun, ask the moon, me a star from birth
Dollars 'pon dollars dem gyal a gonna twerk

We deh 'pon another level now, aah
Know star when me see star
Me look inna the mirror, me ready now, aah
Take we light last year
Fucker dem try turn the plate empty now
We a mek news, we a mek move

Pussy dem still a mek noise
We a mek move fi go mek food
Pussy dem still a mek noise

We deh 'pon another level now, aah
Know star when me see star
Me look inna the mirror, me ready now, aah
Take we light last year
Fucker dem try turn the plate empty now
We a mek news, we a mek move
Pussy dem still a mek noise
We a mek move fi go mek food
Pussy dem still a mek noise
