

Pain

Masicka

Pain no inevitable, no
Done know we a human being
The whole a we vulnerable

Hey, me can tell you pain in a every language, aye
Me can tell you pain in a every language, yeah-e

Same old book
Same old dirty boy, same old crook
From high school days me know the place gone shook
Everything change in a the place, come look
Whole heap a money, whole heap a grains [?]
If me pop it off, a no grains in a foot
All a me life, all a me days where me put
Put in a this fi see the change me a look
Whole a heap a food, go grab a plate, we a cook
So me strap up, me got it, them can't trick me (No)
Harder the battle, sweeter the victory (Yeah)
Aye mummy, some pussy can't kill your pickney (Never)
Just the life, a the money, the power strictly (Yeah)
Yeah, me come from the gutter, this a no Disney (No)
Yeah, me off a the drugs, you know me tipsy
Say a prayer fi the thugs where roll risky (Mhm)

Hey, me can tell you pain in a every language, aye
Me can tell you pain in a every language, yeah-e
But we busting every chain in a every bandage (Weh)
Open up a brain just fi get a sandwich, aye
Pain in a every language, yeah-e

Yeah
We know pain in a every language
Spanish and Portuguese
Fight the fight like Chinese and Japanese
Try stop the thing, the Keltec and the Glock a breeze
Top form, Javan, Feran
Pull up, and girl a run the pussy like errand
Grow coarse and wild and dark, full a venom
Fendi there 'pon the Boss, a no lemon
Struggles and pain where we been through
Me no like informer, me no bring news
Buy a house 'pon the beach with a hill view
How you fi know pain like the youth them a Seaview
From me little bit me ambitious
Make the millions and get the city solid up
Me day one dawgs them there there 'nough
Free me dawgs them in a the prison where a wear the cuff

Hey, me can tell you pain in a every language, aye
Me can tell you pain in a every language, yeah-e
But we busting every chain in a every bandage
Open up a brain just fi get a sandwich, hey
Pain in a every language, yeah-e

Sleepless nights when me growing up
Youth where a thirteen and move like a grown up
Look 'pon me good, ghetto product

From you see me, you nah fi ask if man rough
'Pon [?] tough up and brave
Yeah, me used to suffer, now me strap up and rave
Brand new 'matic in a the kit like first aid
Sicker is child a the ghetto like Dave
Regular me look in a the face of fear
Can't fear nothing else
Them say death a the worse, then show me something else
Please go fi [?], dreams fucking melt
Put me life 'pon the line fi seal up the wealth
Life, you no tired fi [?]
Me have the drive yah fi go [?] health
Give me the strength, give me the strength
No need nothing else

Hey, me can tell you pain in a every language, yeah-e
Me can tell you pain in a every language, yeah-e
But we busting every chain in a every bandage
Open up a brain just fi get a sandwich, hey
Pain in a every language, yeah-e
