And them couldn't blind the lens
No idle medz Noooo
Mi hide mi bed no time to sleep
Me find the streets & find the bread
By mi sweat nah turn no cheeks

A tooth fi teeth don't try defeat
The nine will press
And then me go read what the Bible say
Look ina the mirror & mi nuh see me
True legend of the future if you nuh believe
The journey is a puzzle still a pick up piece
