They Don't Know

Masicka

They don't know my story
They just know my songs
They don't know how far
How far I'm coming from
They don't know my story
They just know my songs
They don't know how far
Know how far

How dem a gwaan like me no hungry before
How dem a gwaan like me no stumble before
You haffi mek it when you humble fi sure
Crysp inna cup and a no rum me a pour
How dem a gwaan like say me born inna riches
A weh dem deh when man a sleep 'pon the floor?
But from me born me say me gone fi the riches
Mummy no worry, me can't dead poor

Nothing nah gwaan and the pussy dem switch up
Nuff a me gyal dem bun me before
But ask inna the place weh me born, Jah
War start, me never run weh before
And even when me rolling to the party
Haffi bring da gun deh fi sure
Dem would a love fi see you 'pon the asphalt
No waan fi see we young and a tour
It's like badmind a kill dem pussy deh
And you need fi hunt fi the cure
'Cause every time another youth rise up
A that bring you down to the floor

How dem a gwaan like me no hungry before
How dem a gwaan like me no stumble before
You haffi mek it when you humble fi sure

How dem a gwaan like say me born inna riches
A weh dem deh when man a sleep 'pon the floor?
But from me born me say me gone fi the riches

And man a soldier, so me get a rough life
We just a warm up, yo, we ready fi the fight
Water commission, know a pressure buss pipe

A bredda man haffi see weather just like you
So when you see me inna the leather, don't badmind

Look weh hard work gi' me nobody no kind so

Gyal 'pon the front seat, you know a dick she a suck
One bag a fake love, but me no miss when me bruk
From me family good and me bredda dem up

How dem a gwaan like me no hungry before
How dem a gwaan like me no stumble before

You haffi mek it when you humble fi sure
Crysp inna cup and a no rum me a pour
How dem a gwaan like say me born inna riches
A weh dem deh when man a sleep 'pon the floor?
But from me born me say me gone fi the riches
Mummy no worry, me can't dead poor

They don't know my story
They just know my songs
They don't know how far
How far I'm coming from
They don't know my story
