Time will tell the strong from the weak  
You will all see it clearly  
And mama keep on praying for me  
Mama, keep on praying for me

Man a tell you 'bout hard times  
Before me start rhyme  
Man a look, nothing man cyaan find  
Get a magnifying glass, me want mine  
Big house, fast car, gold chain, star time  
Gyal weh use to call me broke pocket  
Start whine, like she waan fi bruk her spine  
Pagans, fi glad say the youth stop blast nine  
And a work, a no part time

Time will tell the strong from the weak  
You will all see it clearly  
And mama keep on praying for me  
Mama, keep on praying for me

Work hard, you will earn  
Juvenile, open your school book, learn  
Ghetto girls stand up 'pon your two foot firm  
Food 'pon the table, tables turn  
God know about the money me concern  
Life tomorrow no confirm  
So me nah waste time  
Couple CD man a burn, Jah know

It tek more than dem bravest soldier  
Fi try scare me  
Time will tell the strong from the weak  
You will all see it clearly  
And mama keep on praying for me  
Mama, keep on praying for me

It tek more than dem bravest soldier  
Fi try scare me  
Time will tell the strong from the weak  
You will all see it clearly  
And mama keep on praying for me  
Mama, keep on praying for me
