Deep in waters  
I see you going girl (ohh)  
Going under but I won't let you drown, woah  
And I will dive in for you  
I will dive in for you  
And I'll dive in  
I will, I will dive in

Keep floating, keep stroking  
You been on my mind me keep hoping  
That these golden moments were frozen  
And if you cold baby mi arms open  
If you fi leave me heartbroken  
A you me need me not joking  
Floating, floating  
Forever we ain't drowning  
Go pack yuh bag we tek a trip  
A yah the trophy never quit (trophy)  
Have a body like the Porsche so she fit (yeah)  
She have the ride you know the grip (yeah)  
You know the vibe you know the clique  
Me love you smile me tek a pic  
In a me life a weh you fit (yeah)  
In a you eyes me see the best version of me  
In a this life you a me gift  
Me hold you tight girl you nuh drift  
So she whine her sweat a drip  
Love a pour she tek a sip  
Pon the floor she get a (yeah)  
Nah go mek you leave hey girl you know me better  
Pick up the phone me on the way to get you

Keep floating  
Keep floating  
Gyal you been on my mind me keep hoping  
These golden moments were frozen (yeah)

Deep in waters  
I see you going girl (ohh)  
Going under but I won't let you drown, woah  
And I will dive in for you  
I will dive in for you (ohh, ooh)  
And I'll dive in  
I will, I will dive in (ooh)

Me wish the best fi you  
Hey girl me fi deh next to you  
And if you fall mi rescue you  
So let me through hey girl a just the best fi you  
Sexy you, hey girl you have you bless fi true  
Somewhere pon the island yeah me diamond  
This a nothing new  
She keep me alive yow inside  
Yow couldn't cut you loose  
What's up with you?  
It looking like we stuck fi true  
It looking like a luck fi true

She looking like the love ah my life  
Anytime me close my eyes (yeah)  
Vision me life you a me right  
Sing and me write you a me light  
Inna the fight  
Inna the fight, yow

Deep in waters  
I see you going girl (ohh)  
Going under, but I won't let you drown (woah)  
And I will dive in for you  
I will dive in for you (ohh, ooh)  
And I'll dive in  
I will, I will dive in (ooh)
