Dem know seh we bad
We nah fi tell dem that again
We nah fi tell dem that again
Wicked heart

Man a mek some different steps now
With some different task
That a fuck up wicked heart
Have tune weh a tear down place now
And a kick down chart
That a fuck up wicked heart
True man a play fool long time
How dem think dem smart
That a fuck up wicked heart
And it look like we cyaan bruk again
Look like we nah bruk again

We a burn failure
Money man a mek youths
Never mek fi go inna dem jail yah
A true man braver, dem a try draw we out
We buss dem head middle day and no cater
But man a count paper
Some Benz and some acre
Tell dem everything pay for
Cah we pay attention, we no time waster
Now the life greater

Man a mek some different steps
With some different task
And a that a fuck up wicked heart
Have tune weh a tear down place now
And a kick down chart
And a that a fuck up wicked heart
True man a play fool long time
How dem think dem smart
And a that a fuck up wicked heart
And it look like we nah bruk again
Yeah, it look like we nah bruk again

A just we ambition separate we
Nuff couldn't hold out 'pon the mission
Man done see the vision
So we no find excuse
Man work under any condition
Nothing dem no gi' man
So respect you when you see man
Man a ball like AC Milan
Haffi use the brain weh Jah Jah gi' man
'Cause anything a we wrong
And dem waan we drop inna the jail

Man a mek some different steps now
With some different task
That a fuck up wicked heart
Have tune weh a tear down place now
And a kick down chart

That a fuck up wicked heart
True man a play fool long time
How dem think dem smart
That a fuck up wicked heart
And it look like we cyaan bruk again
Look like we nah bruk again

Wicked heart, wicked heart, yeah
Wicked heart, wicked heart, yeah
Think dem smart, wicked heart, yeah
Wicked heart, wicked heart, yeah

Man a mek some different steps now
With some different task
That a fuck up wicked heart
Have tune weh a tear down place now
And a kick down chart
That a fuck up wicked heart
True man a play fool long time
How dem think dem smart
That a fuck up wicked heart
And it look like we cyaan bruk again
Look like we nah bruk again
