Youths lock up inna jail house, whole life seize

Ghetto man born weh it rough inna the streets
Then a wah you think, man tough inna the streets
Nuff a dem sell me out, that I lease

Whole a medz 'pon a money medz, stock up the cheese

Stop follow hype, hey boy, hold the faith
Drink one Guinness if you cyaan buy a crate
Man never lean, me a tell you this straight
Baby you cyaan trick me, your pretty smile fake
Money make gyal open like gate
Put your trust inna people a big mistake
