

Heart Shaped Guitar

Masked Intruder

Girl, ever since I
First saw you I knew
You were the one for me.
I just want you to know
How I feel,
That's why I'm standing here
At 3am
Out in your front yard
Singing you a love song
On a Heart Shaped Guitar.
And I hope you hear me,
And I hope you care,
And you put on a smile,
And you come down stairs.

Dude, you're freaking me out,
Seriously.
What the fuck is wrong with you?
I don't even know you.
I'm calling the cops.
Why are you standing there
At 3 am
Out in my front yard
Singing stupid love songs
On a Heart Shaped Guitar?
And I don't wanna hear it
Cause I don't even care.
The police are on their way,
So just stay right there.

Girl Dude
Ever since I
You're freaking me out
First saw you I knew
Seriously
You were the one for me. I
Don't even know you
Just want you to know
I'm calling the cops
How I feel
What are you doing
That's why I'm standing here.
At 3am
Out in your
my front yard
Singing you a love song
singing stupid love songs
On a Heart Shaped Guitar.
And I hope you hear me,
And I hope you care
The police are on their way,
So just stay right there.
I love you.
Get real dude.
I need you
You need mental help.
I'll do anything.

Stay away from me.
I need your love.
