

Maybe Even

Masked Intruder

I've been thinking that you and I should get to know each other better. Maybe even you could ditch your boyfriend. Someday later when I get out maybe you and me could be together. Maybe even for more than just the weekend. Maybe even we could fall in love. I've been thinking of all the ways that we could break some rules and take some stuff - get a good thing going and never stop it. Tell me about the craziest thing that you've ever done, baby, just for fun. I'll bet you anything that we can top it.

Bet you anything. If you get too scared, just run away. Run away. Though I would prefer that you would stay

Maybe even we could rob a bank or three. Ain't no telling what we could get away with. Use the money to get married, maybe even start a family

We could get a little place down on the beach

Ooh - maybe even - maybe even we could fall in love. If you get too scared, just run away. Run away. Though I would prefer that you would stay. You would stay. You know I'd do anything for you. Anything for you. And together there's nothing we couldn't do

Maybe even... Maybe even we could fall in love
