

Ain't Gonna Change

Masked Wolf

Ya

Ya

I ain't gon change

I ain't gon change

Back then shawty didn't wanna know my name

I ain't gone change

I've been doing my thing in my own damn lane

Ain't nothing change

Don't need the hotel suite and a dope ass party

I ain't gonna change

You can tell them right now man I ain't even sorry

I ain't gonna change ya

Back then shawty didn't wanna know my name

I ain't gone change

I've been doing my thing in my own damn lane

Ain't nothing change

Don't need the hotel suite and a dope ass party

I ain't gonna change

You can tell them right now man I ain't even sorry

I ain't gonna change

How many times did I break

All of the time you all made them mistakes

Still at myself climbing up on the walls

Wish I had someone to give me a call

The fact they ain't ever gonna give you shit

The ego go getter they know better you know better like roletters are made u
p to change up at 26

I said I was gonna stop cruising

My mom was so used to losing

Felt depressed and lost I was snoozing

But I said man I got to keep moving

All these girls man get kind of choosey

Had no buddy ever do it like me

Had to call the shots something like spy lee

Looking through the window for some hope

Looking for the cue that I'm gonna need the antidote

Back then shawty didn't wanna know my name

I ain't gone change

I've been doing my thing in my own damn lane

Ain't nothing change

Don't need the hotel suite and a dope ass party

I ain't gonna change

You can tell them right now man I ain't even sorry

I ain't gonna change ya

Back then shawty didn't wanna know my name

I ain't gone change

I've been doing my thing in my own damn lane

Ain't nothing change

Don't need the hotel suite and a dope ass party

I ain't gonna change

You can tell them right now man I ain't even sorry

I ain't gonna change ya

Trapped in the walls
Gave that face like I'm ok doll

Didn't want you to see through me like fuck
I was lying to myself to you
Dying inside the truth
Broken with the wings
Just wanted to fly the coupe
Left the bird do dee doo
Get high like ru

Put in the work for more hours
Don't need that rawious power
Don't make it rain like more showers
Don't need to take that white powder
Everybody acting like wa

Everything I do is sentimental
