

Aphrodite

Masked Wolf

Don't let her get on your nerves
I get it I play 'em I swerve
Loyalty is pricey
Ain't talking money you should know its worth
Flow too icy
Hotel Atlantis we submerged
Aphrodite the way she looks Medusa in work

Don't let her get on your nerves
I get it I play 'em I swerve
Loyalty is pricey
Ain't talking money you know its worth
Flow too icy
Hotel Atlantis we submerged
Aphrodite the way she looks Medusa in work

Crumbs all on my shirt
Let me get shit off my chest ah yeah
From the top like serve
Don't focus on regrets nah yeah
They throw some curves
Eyes open uncle fester ah yeah
Ain't nobody hurting me
Nobody hurting me

I can see it by the way she look
Her purse tryna get full
My fuel tank on full
I'm outta there like zoom
I can see it by the way she look
She tryna make a fool
That shit ain't work on me
That shit might work on you

Don't let her get on your nerves
I get it I play 'em I swerve
Loyalty is pricey
Ain't talking money you should know its worth
Flow too icy
Hotel Atlantis we submerged
Aphrodite the way she looks Medusa in work

Aphrodite the way she looks Medusa in work

Don't look too much
She might turn you to stone ah yeah
Don't look or touch
See beauty is cold ah yeah
See that gaze is like tornadoes
They only there for payroll
Better do I just as I say so ah yeah

I can see it by the way she look
Her purse tryna get to full
My fuel tank on full
I'm outta there like zoom
I can see it by the way she look
She tryna make a fool
That shit ain't work on me
That shit might work on you
