Bop

Masked Wolf

Everything you do is ordinary (Facts)
Everything I do is extraordinary, difference
Ain't no switching
Everything I say is fact, you keep it fiction
Let's see how long it lasts
I keep the mask, take it off here and there
In case you ask, yeah, in case you need to know
This a need-to-know basis
All home runs, but I don't know where my base is
Still tryna find myself a light on these occasions
I ain't even on yet, awaiting activation

I might put some bop in it
You like my whip, girl, you cannot hop in it
Convertible, yeah, I don't want top in it
No roof, yeah, I might get lost in it
Just like your songs, I think you need bop in it
Everything you do is ordinary (Ordinary)
Everything I do is extraordinary (Extraordinary)
Everything you do is ordinary (Ordinary)
Everything I do is extraordinary

Bwoy, you will never learn (Word)
Still reaching for the fire even though you got burned (Burned)
Watch his 'n' hers, you should watch your own words (Watch)
Yeah, you might bite the bullet, but the trigger still works (Ha)
This rolls around, around it goes ('round 'round)
A lot of puppets in there and they all lost control (Lost)
You be on the bench and didn't play a role (No)
Yeah, the cost of the fame, yeah, it's always taking tolls (Ow), whoa

I don't like this loyalty and love, two things that can only bring a man down
Yeah, I'm screaming, "Man down!" hmm mmm yeah
Every time you get a buzz, somebody always tryna bring the man down
Tryna bring the man down mmm mmm mmm

I might put some bop in it
You like my whip, girl, you cannot hop in it
Convertible, yeah, I don't want top in it
No roof, yeah, I might get lost in it
Just like your songs, I think you need bop in it
Everything you do is ordinary (Ordinary)
Everything I do is extraordinary (Extraordinary)
Everything you do is ordinary (Ordinary)
Everything I do is extraordinary
