# Never The Same

**Masked Wolf**

Yeah, yeah
Yeah, yeah
Masked Wolf

They told me, wake up before it's gone in a blink
They told me, don't swim in water 'cause homie you gonna sink
They told me, don't waste your time on music, you'll be shit
Well look at me now, hm, here's a pic
Tell me what to do, but homie this ain't your life
Been so used to the dark, I don't even need your light
Who be in your circle, yeah, who be down to fight
The one to jump grenades, yeah, the one to take the bite
Woo, woo, woo

They just wanna hate 'cause they move like that
Put a dollar in their face and they move like fast
But when you lose it all they're gonna move right back
This shit always change, it's never the same-same

They just wanna hate 'cause they move like that
Put a dollar in their face and they move like fast
But when you lose it all they're gonna move right back
This shit always change, it's never the same-same

Vision clear, but we don't see eye to eye
Flip a coin, you might see my other side

Been with the snakes in the pit (Okay)
Devil took me on a trip (That's right)
Had to start low like this (Okay)
Just to come up like lift (Uh huh)
Back then they didn't back me
But now I bump like acne
She wants four rings like how deep
But she knew nothing about me (Damn)
I built this up from the pylons (I did)
Don't tell me what building I'm on (Yuh)
Let bygones be bygones (Ay)
V12, let me get my drive off
Vroom, vromm
Bad to the bone
Never packing the chrome
Got a mind of my own
This wolf on the lawn on the low like prone, yeah
They want the show but always fold on
They want the dough on
They want the KO
But they don't wanna beg on (Okay)
All the moves that I make
Can't choose the mistakes
Gotta loosen embrace
Gotta loosen the brakes
Gotta loser in place
Gotta keep with the faith
I'm stuck in a maze
Don't know where I'm going late

The knife you used to cut my birthday cake
You also used to stab me in the back
But that's okay
I forgive everything you did
But I don't need you back
At times I feel like I'm dead inside
I don't know why but I can't control that
Just know that I'm okay
You can tell them that I'm sorry
But it's y'all that I never want back

They just wanna hate 'cause they move like that
Put a dollar in their face and they move like fast
But when you lose it all they're gonna move right back
This shit always change, it's never the same-same

They just wanna hate 'cause they move like that
Put a dollar in their face and they move like fast
But when you lose it all they're gonna move right back
This shit always change, it's never the same-same
