

Heaven

Mason Jennings

Is this a long beginning or a long goodbye?
Something bout you makes me want to cry
Something bout you hits me so deep
Makes it hard to sleep

All my friends think that I'm to blame
Sirens sing when I speak your name
Something bout you makes me feel so free,
How I want to be

So much trouble, sadness in this world
How do we get to Heaven?
How do I get to you?
I can't go on forever now
I only want to be with you
I only want to be with you somehow

It's been five days since I've talked to you
Five whole days since you said we're through
Now I doubt everything I've ever known
I feel so alone

You say baby it's impossible
Sometimes life will make you feel the fool
I know I'll never meet anyone like you again
And I miss my friend

So much trouble, sadness in this world
How do I get to Heaven?
How do I get to you?
I can't go on forever now
I only want to be with you
Only want to be with you somehow
