

# Joy

Mason Ramsey

Every Sunday morning  
I was singing in church  
I found a little soul I love in this  
Small powerful world  
Yeah we can be happy  
Sometimes a little sad  
But with a little believing, it won't  
It won't be that bad

With joy (joy) hanging over me  
Joy (joy) hanging over me  
Ain't got no time, no time for jealousy or greed  
Oh Lord, yeah I just want joy  
I just want joy

You can take all my money  
I'll spend all my time  
There's nothing you could buy me  
And joy don't cost a dime

With joy (joy) hanging over me  
Joy (joy) hanging over me  
Ain't got no time, no time for jealousy or greed  
Oh Lord, yeah I just want joy  
Yeah I just want joy  
Yeah

Yeah sometimes all I feel is stuck  
But all I have to do is look up  
To find

Joy hanging over me  
Joy hanging over me  
Got no time, no time for jealousy or greed  
Oh Lord (oh Lord) oh Lord

I just want joy (joy) hanging over me  
Joy (joy) hanging over me  
I got no time, no time for jealousy or greed  
Oh Lord, oh Lord  
I just want joy  
Yeah I just want joy  
Oh just want joy  
Yeah I just want joy  
I just want joy
