

Fun While It Lasted

Massive Wagons

Live more of a life than you can measure
Don't fall apart under pressure
Give more of your heart than you would like to
Make sure the picture doesn't spoil the view

Love is not for everyone
But it's a dream to cling to
My heart's been left here with someone

It's a shame that it should end this way
Hearts are broken, it'll be okay
You will live to love another day
And it was fun while it lasted
It's a shame we'll never see the day
If our love would ever find a way
One more thing that I would like to say
It was fun while it lasted

Sing the songs that are forever
Worth more than everything you treasure
You traded every day we were together
It's a shame, you know, but whatever

Love is not for everyone
But it's a dream to cling to
Throw my heart into the sun

It's a shame that it should end this way
Hearts are broken, it'll be okay
You will live to love another day
And it was fun while it lasted
It's a shame we'll never see the day
If our love would ever find a way
One more thing that I would like to say
It was fun while it lasted

It's a shame that it should end this way
Hearts are broken, it'll be okay
You will live to love another day
And it was fun while it lasted
It's a shame we'll never see the day
If our love would ever find a way
One more thing that I would like to say
It was fun while it lasted

It's a shame that it should end this way
Hearts are broken, it'll be okay
You will live to love another day
It was fun while it lasted
It's a shame we'll never see the day
If our love would ever find a way
One more thing that I would like to say
And it was fun while it lasted
