

Giulia

Massive Wagons

Whoa calling Giulia
Calling Giulia
Calling Giulia
Calling Giulia

Roll up, roll up
I got a hell of a deal
If there's a man in your life
And he's making you feel... meh
Roll up, roll up
It's a nice wee drop
We'll put him in the ground
And put you back on top

Help me, Giulia
Help me, Giulia
Help me, Giulia

Oh can you hear that ringin'
Oh can you hear that ringin'
Oh can you hear that ringin'
Oh my Giulia
Can you hear that ringin'
Oh can you hear that ringin'
Ohhhhhhhh

Roll up, roll up
As far as legends go
It's one for the money
And it's two for the show
Bang, bang, bang
Is there anybody there
We know what you did
And we know you don't care

Help me, Giulia
Help me, Giulia
Help me, Giulia

Oh can you hear that ringin'
Oh can you hear that ringin'
Oh can you hear that ringin'
Oh my Giulia
Can you hear that ringin'
Oh can you hear that ringin'
Ohhhhhhhh
Whoa calling Giulia
Calling Giulia
Calling Giulia

Oh can you hear that ringin'
Oh can you hear that ringin'
Oh can you hear that ringin'
Oh my Giulia
Can you hear that ringin'
Oh can you hear that ringin'
Ohhhhhhhh

Ohhhhhhh

Whoa calling Giulia
Calling Giulia
Calling Giulia
Whoa calling Giulia
Calling Giulia
Calling Giulia
Whoa calling Giulia
Calling Giulia
