Massive Wagons

Rick The Pen reviews bands  
Nobody's listening  
Baz The Man waves his hands  
I think he fancies my girlfriend  
Gareth does sound on the weekend  
But I swear he hates rock bands  
Part time professionals, but full time assholes

Dave spends time at festivals  
I think that's bloody marvelous  
He drinks till he goes blind  
I can't see anything wrong with that  
Goes back home and uploads  
What's on his iPhone, and berates the bands online  
Dave, Dave, behave  
You're missing the point, my friend

'Cause I'm your biggest fan  
You don't know me that's okay  
To me you're solid gold  
I'd write a song about you every day

You're glorious, you're glorious  
When you're ranting, and you're raving  
Is it stardom that you're craving  
Glorious

'Cause I'm your biggest fan  
You don't know me, that's okay  
Solid gold  
Maybe you'll sing about me someday

You're glorious, you're glorious  
When you're ranting, and you're raving  
Is it stardom that you're craving  
Glorious
