

# Missing on TV

## Massive Wagons

They got money for this  
They got money for that  
They got money for houses  
And cabbage for cows  
They got cash for expenses  
Personal defenses  
Moolah to wipe those  
Entitled asses  
Change for days  
They got a million ways  
To spend all of your money  
On whatever they want  
They got wealth and power  
Destroy and devour  
Order if you please  
Do not be swayed by sympathy

Because we are washed away  
Slowly out to sea  
Down the plug hole, out through the city  
Am I missing on TV?

They take extended breaks  
Enjoy dinner at Gordon's  
Wax brass on a lifestyle  
You could never afford  
They don't wait for a doctor  
'Cause it's only a call  
And you're finding yourself again  
W-w-waiting out in the rain

Because we are washed away  
Slowly out to sea  
Down the plug hole, out through the city  
Am I missing on TV?  
Maybe  
Maybe you'll end up  
Back at the surface, find each other  
We'll stick together, you and me

Because we are washed away  
Slowly out to sea  
Down the plug hole, out through the city  
Am I missing on TV?  
Maybe  
Maybe you'll end up  
Back at the surface, find each other  
We'll stick together, you and me

(Missing on TV)

Because we are washed away  
Slowly out to sea  
Down the plug hole, out through the city  
Am I missing on TV?  
Maybe  
Maybe you'll end up

Back at the surface, find each other  
We'll stick together, you and me
