

## Sunshine Smile

Massive Wagons

We rock the outside, to the inside  
Rock the action, that's fine with us  
It's a risk take, it's a gamble  
Not a cake walk, we're startin' to roll  
These are long days, when there's no shade  
Feel the crowd go, pumpin' it up  
Misbehave in the heatwave  
Drinkin', in the action

Everybody digs that summer vibe  
Temperatures floating round 49  
Who doesn't love that high 5  
Everybody show me your sunshine smile

In the summer time  
That sunshine smile

You rock the outside to the inside  
Rock the action, in the mosh pit  
It's a sweat box brothers sisters goin' crazy  
I'll pick you up if you go down  
It's a friendship, shoulder to shoulder  
When we're tearing it up  
Rockin' heavy, hardcore  
Rockin' long time, all summer long

Everybody digs that summer vibe  
Temperatures floating round 49  
Who doesn't love that high 5  
Everybody show me your sunshine smile

(In the summer time)  
In the summer time  
(That sunshine smile)  
That sunshine smile  
(In the summer time)

(That sunshine smile)  
In the summer time  
(In the summer time)  
(That sunshine smile)  
That sunshine smile  
(In the summer time)
