

I'ma throw it like Santana  
Jo-han, yo man is a ho like damn Santa  
Lemme illustrate like Dan Hanna  
What I am, see this man is a grandstanda  
I'm a grand planna, and what I want is  
40 acres, no mule, land in Atlanta  
Sand in Havana, ran to Indiana  
Then came back for the green like Bruce Banner  
Used to rock a bandana  
And dream of driving in a car same color as a ban-ana  
But now I'm smarter than a fifth grader  
Which hater wanna try to rub it in like hand sani-  
-tizer, realize that I'm a lot wiser  
But I won't blow my top like a hot geyser  
So put away the damn camera  
I don't smoke coco, po po on the damn scanner  
Hoping they can apprehend, African-  
American men in a planned manner  
But I ain't fallin' for the okey-doke  
So back away, and turn yourself around like the hokey poke  
Is this a racist nation or is it just my imagination  
Like the song that Smokey wrote

Tonight on this very mic you about to hear, I swear, the best darn artist of  
the year  
So so cheerio yell scream bravo, also, if you didn't know, this is called Da  
' Pro  
I'm-I'm-I'm-I'm-I'm a professional, and that's no question yo

I be the...  
Gateway, better know the fact  
The way that some believe the weed might lead to the coke or crack  
I'mma take you onto harder shit  
This a starter kit  
To bring back what is dope in rap  
The game's up in traction right now  
And that shit on the radio: broken back  
Or worse yet: stroke attack  
You like it rough? It's the Brooklyn Strangler  
Choke a track  
I be hopin' that  
Maybe one day, them old clubs I used to go to: open back  
I'm so nostalgic, I'mma yoke a cat  
Because of the fact he stepped on my Croaker sacks  
Nah I'm lyin', never had a pair  
Where I'm from 40 Belows and fatigues was the outer wear  
Want y'all to hear me loud and clear  
If you don't care for the real shit then get outta here
