

## Hero

## Masta Ace

Look, up in the sky, could it be?  
It's a bird, it's a plane, no, it's ace, ace, ace, ace...

International man of mystery in black pajamas  
Trust me, a man is history and that's the promise  
No escaping this, beat his nuts, I'm baking this  
Like catchatory, statutory, I'm raping this  
Wearing masks and caping this, but keep the tights  
You can't compare, so be prepared for some sleepless nights  
My thick skin can withstand all these creatures' bites  
They won't allow this black man to reach his heights  
But I leap over low blows in a single bound  
And take orchestras down in a single sound  
Deceival frown, be the same as my happy face  
Marco Polo, got the dope like Pappy Mace  
May God's grace rain down on the people's heads  
We starring in this horror movie like Evil Dead  
Take a look at our own youth as it fades away  
Soon as I find me a phone booth, I'ma save the day

New York City, the Big Apple  
Yep, here it's action, action, action  
Ain't trouble now  
Where you can get to be your favorite hero  
Polo was shaking  
He come in teams, they have fabulous powers  
Ace was hood  
Their names are magic, they're the classic bunch of ice, power, switch  
We're about to take a behind-the-scene look  
At the incredible world of  
INS. Your Highness

Uh, boy, y'all want smoke, huh?  
I'm hot on all corners like the stove top  
Call me the one, I'm Keanu when they throw shots  
Rebel and ace, certain death, pick your own box  
My name heavyweight on the scale  
You ain't even got a place on the scale  
You just fakin' for real  
See me frontline, blazin' a trail  
Fuck the records, I get paid in the mail  
I'm just makin' a sale  
You a customer, I'm a hustler  
Throw the blade to your cheek, clean touch you up  
It's like bad luck, how we fuck shit up  
And like the L in your face, like it wasn't us  
I don't talk, I just nod to Brim  
I get even when it's odds with him  
Better warn your kin  
Try hard, but the margin's slim  
How I heat it up, foggin' up your goggle lens

Hello, Inspector  
Oh, yes, Inspector  
So?  
So I want to have duplicates made of the recording  
And play it over the Daily Planet radio station

And on other stations all over the country  
Then I want to offer a big prize, say \$10,000  
\$10,000?  
Well, I know that's a lot of money, Chief  
But we need a big prize to get everyone listening  
Just might work, so go ahead, hop to it  
Ah, you're talking, Chief  
I'll get working on it at once
