

I Did It

Masta Ace

I did it, yeah
I did it, yeah
That's right
I did it, yeah
I did it, yeah

Yeah
I did it for the love, I did it for respect
I did it for cash money, I did it for a check
I did it as a favor, I did it for the flavor
Always went all out and never did I waiver
Look at my behavior, this is how you do it
I did it with the mic and my voice going through it
I did it with energy and always did it thorough
I did it for NY, I did it for my borough
I did it for the Ville, I did it for the thrill
And when I did do it you knew that it was real
I did it for Mike Tys', I did it for Spike Lee
A lot of cats did it, but not quite like me
This for the PJ's, and I don't mean pajamas
I did it for the cred and not for the drama
This is for my mama, I did it all for you
This for my gandmoms, I did it for you too
I did it for Harlem World, I did it for Union Square
I did it for Latin Quarter, tell me if you were there
I did it while other cats claimed they was doing it
Truth of the matter is, they were trying to ruin it
Rapping for chicken wings, popped by the corn rice
Hennessy on ice, I did it for Sean Price
I did it for Punchline, Wordsworth and Stricklin
Time to make a toast, pass the liquor man
I did it

I did it, yeah
I did it (I did it, I did it), yeah
I did it (I did it, I did it), yeah
I did it (I did it, I did it), yeah

I do it cause I could, I do it cause I'm good
I do it for the birds, I do it for the hood
I do it all day, I do it in the night
And when I do do it, you know I do it right
I do it for the flight, so I can see the world
I do it for my wife and my little girl
Superhero dad can save the day
I do it for the cats that paved the way
I do it for the vets, I do it for the Jets
I do it for the Yanks, I do it for the Mets
I do it for the Knicks, I do it for the kicks
Then I crossed the bridge and do it for the bricks
Then I drive south and do it up in Philly
I know what dudes do, but do they do it really?
Let's not be silly, this foolishness is dumb
I did it, still do it, and this is how it's done

I did it, yeah
I did it (I did it, I did it), yeah

I did it (I did it, I did it), yeah
I did it (I did it, I did it), yeah
I did it, {"yeah" scratched}
I did it, {"yeah" scratched}
I did it, {"yeah" scratched}
I did it, yeah, I did it
