Wow, I can't believe four years went by that fast  
It seems like just yesterday I was a freshman  
Just hoping I would make the team  
Now here it is, graduation day  
I'm kind of looking forward to college, I guess  
Rhode Island is a long way from Brooklyn, I know that  
I wonder how this is all gonna turn out  
Like, what kind of job, what kind of career am I will have?  
Though whatever it is, I hope it's something I love to do  
(Yo Duval let's go!)  
Ok! Looks like the limo is here, gotta go y'all  
Peace in the Middle East
