

Delirium Mind

Master Blaster

I've seen warrios and showers up and down the mountains
And many broken papers yellowed with an age (2x)
I've seen it
I've meet it
Between the raper (?)
I've touch it
I've smell it
It's really loathsorne
I hate! Rock your face! Only way delirio mind! (3x)
Master Blaster
I'm writing over this wall
I'm running there for see you
Dancing on the green rools
Of pretty houses in town (2x)
I see you
I meet you
Between the hot blood
I touch you
I smell you
It's really going mad
I hate! Rock your face! Only way delirio mind! (4x)
