

# Everywhere

Master Blaster

Turn it inside out so I can see  
The part of you that's drifting over me  
And when I wake you're  
You're never there  
But when I sleep you're  
You're everywhere  
You're everywhere

I recognize the way you make me feel  
It's hard to think that you might not be real  
I sense it now, the water's getting deep  
I try to wash the pain away from me  
Away from me

Cause you're everywhere to me  
And when I close my eyes it's you I see  
You're everything I know that makes me believe  
I'm not alone  
I'm not alone

Cause you're everywhere to me  
And when I close my eyes it's you I see  
You're everything I know that makes me believe  
I'm not alone

Cause you're everywhere to me  
And when I catch my breath it's you I breathe  
You're everything I know that makes me believe  
I'm not alone

The beauty that's within  
It's now that we begin  
You always light my way  
I hope there never comes a day

Cause you're everywhere to me  
And when I close my eyes it's you I see  
You're everything I know that makes me believe  
I'm not alone

Everywhere to me

Just tell me how I got this far  
Just tell me why you're here and who you are  
And every time I look  
You're never there  
And every time I sleep  
You're everywhere  
You're everywhere

Cause you're everywhere to me  
And when I close my eyes it's you I see  
You're everything I know that makes me believe  
I'm not alone

Cause you're everywhere to me  
And when I catch my breath it's you I breathe

You're everything I know that makes me believe  
I'm not alone

Cause you're everywhere to me  
And when I close my eyes it's you I see  
You're everything I know that makes me believe  
I'm not alone  
I'm not alone
