

How Old R U?

Master Blaster

How old are you
Master Blaster!
For the floor, don't rock no more
Yoo!
Are you feeling?
Pump Pump Pump it up
Now, how old are you
Where is your harbor
Have many things to do
Open the door

Yes, I live so true
Without my lover
But tell me if the sky is blue
How old are you

Now, how old are you
Where is your harbor
Have many things to do
Open the door

Yes, I live so true
Without my lover
But tell me if the sky is blue
How old are you

Now, how old are you
Where is your harbor
Have many things to do
Open the door

Yes, I live so true
Without my lover
But tell me if the sky is blue
How old are you

(Get your hands up people)
(Masterblaster)

Now, how old are you
Where is your harbor
Have many things to do
Open the door

Yes, I live so true
Without my lover
But tell me if the sky is blue
How old are you

Now, how old are you
Where is your harbor
Have many things to do
Open the door

Yes, I live so true
Without my lover
But tell me if the sky is blue

How old are you

(masterblaster)

Now, how old are you
Where is your harbor
Have many things to do
Open the door

Yes, I live so true
Without my lover
