Until The End

Master Blaster

Ta, da, da, da, da...
Standing alone in the twilight,
somehow I feel you there,
shadows that move on the outside,
but inside I'm not scared.

At the moment you reached for me,
you whispered sweetly,
oh, oh, oh...
and we're frozen in time,
when you look in my eyes,
oh, oh, oh...

Until the end,
it was you I waited for,
I can't pretend,
I don't love you anymore,
all by myself,
you were always in my heart,
until the end,
'cause I knew it from the start.

Until the end,
it was you I waited for,
I can't pretend,
I don't love you anymore,
all by myself,
you were always in my heart,
until the end,
'cause I knew it from the start.

I knew it from the start.

Myself
oo

Ta, da, da, da...
Until the end,
it was you I waited for,
I can't pretend,
I don't love you anymore,
all by myself,
you were always in my heart,
until the end,
'cause I knew it from the start.
I knew it from the start.
I knew it from the start.

I played the game but I knew my,
heart wasn't made of stone,
you kept me save even when I,
gave it to you, I know.

At the moment you reached for me,
you whispered sweetly,
oh, oh, oh, oh...
and we're frozen in time,

when you look in my eyes.
oh, oh, oh...

Until the end,
it was you I waited for,
I can't pretend,
I don't love you anymore,
all by myself,
you were always in my heart,
until the end,
'cause I knew it from the start,

Until the end,
it was you I waited for,
I can't pretend,
I don't love you anymore,
all by myself,
you were always in my heart,
until the end,
'cause I knew it from the start,
I knew it from the start,
